TAKING CARE OF YOUR DOOR HARDWARE

Our philosophy is that a finish can make all the difference. From Polished Brass to Oil Rubbed Bronze, the hardware finish chosen for your home makes a powerful statement.

Clean your hardware easily and quickly with a soft cloth and warm, soapy water to remove fingerprints and dust. All of our colors are highly durable and will provide years of beauty for your home.

KWIKSET HOMEOWNER WARRANTY

Warranties cover the original residential user of Kwikset Products against defects in material and workmanship as long as the original user occupies the residential premises upon which the product was originally installed. This warranty DOES NOT COVER abused or misused products or non-commercial products used in commercial applications. Upon return of a defective product to Kwikset Corporation, Kwikset shall either replace the product or refund the purchase price, at our discretion. If a covered defect occurs, call 1-800-327-LOCK (5625) in the U.S. and Canada or return it to Kwikset Corporation, Consumer Services, 19701 DaVinci, Lake Forest, California 92610.

A finish deterioration occurring from the use of paints, solvents, or other chemicals is not a defect in the finish and is not covered by this warranty. Kwikset is not liable for incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights that vary from state to state.

Mechanical and finish warranties are different for each Kwikset brand. One or more brand may be installed in your home (for instance, Kwikset UltraMax Security® on the front door and Kwikset Maximum Security® on the interior doors). Contact Kwikset for specific provisions.
